

The Haven at First and Market

112 West Market Street | Charlottesville, Virginia 22902

The Day Haven

The Day Haven is a place of hope, where people are given a respite from the daily challenges they face and access to assistance to help overcome them.

The Day Haven resolves to provide those we serve with **shelter** from the elements during the day, facilities to **bathe** and do **laundry**, and a place to receive **mail** and store personal items. Guests will have the **opportunity** to receive vital services in a centralized location in conjunction with Day Haven partners. Our hope is to serve people with grace, never giving up and always showing **compassion**.

Ways you can help:

- donate time
- donate money
- donate materials

"Leading People Home"

Thomas Jefferson Area
Coalition for the Homeless

The Haven at First and Market, will provide a low-barrier daytime shelter for the working poor and homeless in our community. The *Day Haven* will fill a current gap by offering connections to related services required to help people break the cycle of poverty and homelessness in one centralized location. The *Day Haven* will be the primary point of entry for clients to access services in the Annex which will be populated by area service providers involved in providing housing assistance, employment assistance, medical screening, mental health assessment, benefits counseling and mentorship and connection to temporary overnight shelters. The area served is the City of Charlottesville and the counties of Albemarle, Greene, Fluvanna, Nelson and Louisa.

An Intake Coordinator will register each client and collect data through a Central Intake System and refer clients to the appropriate Service Providers where direct case management will be available. This creates more effective intervention and case management through improved communication and the sharing of information between partner Service Provider organizations. Duplication of services will be greatly reduced as a result of having shared data that each agency can access.

The *Day Haven* will also provide clients a physical mailing address, access to voicemail and the internet to facilitate job searches and the ability to apply for benefits. There will be shower facilities with handicapped accessibility, complete laundry facilities and storage for a clients' personal possessions.

**If you want to get involved,
support, donate or receive
more information call:
(434) 973-1234
or email: info@tjach.org**
